SHAZEL MUHAMMAD

Manager, Global Talent Management

Shazel's passion for helping others develop to their fullest potential began more than 25 years ago as a public speaker as she connected with diverse multi-generational audiences across the country. She is a proud community volunteer and mentor, leading seminars and coaching on a variety of topics including, self-awareness, accountability, and personal development.

Shazel joined the Wyndham family in 2008, and has since helped associates and leaders see new potential for their professional career development; helping them identify how to bridge the gap from where they are, to where they want to be.

In 2015 Shazel joined Wyndham Hotel Group and is responsible for the development and implementation of Associate, Managed Property and Franchise learning strategies, programs and processes Shazel also serves as Co-President of the Parsippany, NJ Chapter of SPECTRUM - a Wyndham Associate Business Group whose mission is to drive business value to the Company by empowering, leveraging and developing the SPECTRUM of African Americans/Blacks as internal and external resources through leadership, education, innovation and networking.
